COURSE DESCRIPTION:

This course is the first in a two-course series on the foundations of ELA for early childhood educators. This course focuses on building foundational knowledge for early childhood educators in the areas of concepts of print, listening & speaking, phonemic awareness, phonics, word study and spelling instruction.

Prerequisite: None unless in a P-3 Program. For those in P-3 programs, this should be taken after MATH6412.

STUDENT LEARNING OUTCOMES:

Upon completion of the course, the student will be able to:

1. Candidates will be familiar with tenets of the Science of Teaching Reading and will recognize the interconnectedness of the skills related to literacy development.

2. Candidates will develop the pedagogical content knowledge and conceptual framework for teaching early literacy skills, including phonics, phonological awareness, alphabet recognition, concepts of print and word study/spelling.
3. Candidates will be able to carry out research-based strategies to teach early literacy skills, including phonics, phonological awareness, alphabet recognition, concepts of print and word study/spelling to students in preschool and early elementary.
4. Candidates will understand the foundation of speech and language development and will be familiar with strategies to

TEXTS, READINGS, INSTRUCTIONAL RESOURCES:

Required Text(s):

When viewing each module’s PowerPoint slideshow, you should review all external links in white boxes *unless* they are denoted as optional. Other links within the slideshow and inserted into the “notes” section are for reference or further information only.

GRADE DISTRIBUTION AND SCALE:

In order to receive a Passing grade, the participant must complete the following course requirements: all short answer assignments, critical thinking assignments, and the final reflection outlined in the *Assignments* section of the Class Schedule (below).

Grade Distribution:

Proctored Assessments	70%
Critical Thinking Assignments	7%
Short Answer Assignments	13%
Proctored Final Assignment	10%

Grade Scale:

A	93 – 100
A-	90 – 92
B+	86 – 89
B	83 – 86
B-	80 – 82
C+	77 – 79
C	73 – 76
C-	70 – 72
D	60.0 – 69.9
F	59.9 or below

GRADING RUBRICS:

The following rubric is used to score:

- Short Answer Assignment – 13% of grade
- Critical Thinking Assignments – 7% of grade

The minimum possible score for this rubric is 4 points, and the score will be converted to the minimum grade available in this module (which is zero unless the scale is used). The maximum score of 25 points will be converted to the maximum grade.

Intermediate scores will be converted respectively and rounded to the nearest available grade. If a scale is used instead of a grade, the score will be converted to the scale elements as if they were consecutive integers.

ACADEMIC STANDING:

NJCTL has established standards for academic good standing within a student's academic program. Students enrolled in any NJCTL online course must receive an 80 or higher to successfully complete a course and receive credit for that course. An 80 is equivalent to a GPA of 2.7 or B-. Additionally, students in an endorsement program must receive a cumulative GPA of 3.0 for all courses combined in order to successfully complete the program.

ACADEMIC INTEGRITY:

Students must assume responsibility for maintaining honesty in all work submitted for credit and in any other work designated by the instructor of the course. Academic dishonesty includes cheating, fabrication, facilitating academic dishonesty, plagiarism, reusing /repurposing your own work, unauthorized possession of academic materials, and unauthorized collaboration.

Please refer to the school's Policy on the Use of Generative AI posted in the Graduate Student Handbook for allowable uses of AI.

CITING SOURCES WITH APA STYLE:

All students are expected to follow proper writing and APA requirements when citing in APA (based on the APA Style Manual, 6th edition) for all assignments. Resources for doing so can be found [here](#).

DISABILITY SERVICES STATEMENT:

We are committed to providing reasonable accommodations for all persons with disabilities. Any student with a documented disability requesting academic accommodations should contact the Dean of Students, Melissa Axelsson, for additional information to coordinate reasonable accommodations for students with documented disabilities (melissa@njctl.org).

NETIQUETTE:

Respect the diversity of opinions among the instructor and classmates and engage with them in a courteous, respectful, and professional manner. All posts and classroom communication must be conducted in accordance with the student code of conduct. Think before you push the Send button. Did you say just what you meant? How will the person on the other end read the words?

Maintain an environment free of harassment, stalking, threats, abuse, insults or humiliation toward the instructor and classmates. This includes, but is not limited to, demeaning written or oral comments of an ethnic, religious, age, disability, sexist (or sexual orientation), or racist nature; and the unwanted sexual advances or intimidations by email, or on discussion boards and other postings within or connected to the online classroom.

If you have concerns about something that has been said, please let your instructor know.
